A PATIENT-CENTERED MEDICAL HOME IS A PARTNERSHIP BETWEEN THE PATIENT AND THEIR PHYSICIAN:

Being a part of a patient-Centered Medical home, our doctor will:

- Work with you to improve your health
- Review your medications at every visit and discuss with you any interactions or contradictions
- Electronically prescribe your medications to ensure they are accurate and available to promptly
- Develop a personal action plan with you to address your chronic conditions
- Set goals with you and monitor your progress
- Use computer technology to monitor your progress and determine if your health is improving
- Inform you of all test results
- Help you take control of your health by providing you educational material hosting group visits and linking you to other community programs and resources

By choosing to Participate in a patient-Centered Medical Home, I agree to:

- Make sure my doctor knows my entire medical history
- Tell my doctor all the medications I am taking
- Actively participate with my doctors in planning my care
- keep my appointment as scheduled
- Adhere to the action plan designed by my doctors
- Consults my doctor before making my own appointment with a specialist
- Request that any other doctor I see send my report, copies of lab work, test results and x-rays
- Know my insurance and what it covers
- Provide the office feedback on how they can improve
